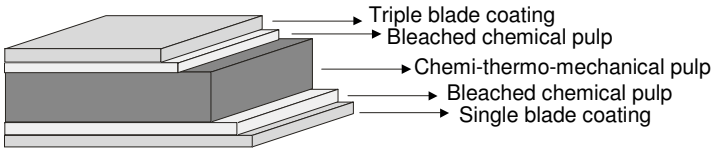
premierhedsorboard

Scancote Elegance

Fully coated folding boxboard with single coated white back GC1. PEFC Certified.



Board profile

Product information

- Made by Metsa Board, Kyro Mill in Finland. Kyro Board Mill is registered under the ISO 9001 quality assurance scheme and has been awarded ISO 14001 for environmental management.
- Scancote Elegance is made from 100% primary fibre from sustainable forests. (PEFC 75%).
- The bleached pulp used is elemental chlorine free (ECF).
- The high bulk of Scancote Elegance enables lighter weight boards to be used without reducing the required thickness, stiffness or opacity.
- Approved for direct contact with dry and non-fatty foods.
- Conforms to European standards regarding heavy metal content.
