

Magnetic Media

DocuMagnet

DocuMagnet is one of several magnetic media products specifically designed for your high-speed laser applications. This unique product combines a 54mm x 86mm magnet integrated into an A4 coated or uncoated carrier sheet. It is available in a standard 1 up configuration only and is approved for running in Xerox digital printers.

The Xerox DocuMagnet provides the perfect way for your customers to keep your information at hand. It could be their gas, electricity or water service account details, or the local mini cab telephone number.
