

**Avocet Digital is a range of high quality white, woodfree uncoated fine papers and boards.**

## PRODUCT INFORMATION

Avocet Digital is produced using FSC® certified pulp.

Avocet Digital is converted to exacting standards for size, squareness and dust-free edges.

Avocet Digital performs well on press and is compatible with most production digital colour laser presses that use dry toner technology.

## IDEAL FOR

- Corporate Letterheads
- Flyers and brochures
- Wedding stationery
- Presentations
- Books
- Manuals
- Advertising Material
- Catalogues
- Covers
