A COVID-19 risk assessment has been carried out and is available on the intranet for all employees to view.

We have introduced new cleaning and hygiene procedures in line with current guidance.

Hand washing and sanitising facilities are prominent in all locations.

We have taken all reasonable steps to help people work from home where practical.

We have taken all reasonable steps to maintain social distancing in the workplace.

Where people cannot maintain recommended distancing, we have done everything practical to manage transmission risk by providing protection equipment and guidance
