

Machine Operative/Warehouse Operative

The Premier Paper Group is the UK's largest independent paper merchant with multiple sites around the UK.

An exciting opportunity has arisen at our Leicester Display Graphics site for the position of Machine Operator/Warehouse operative. A varied role including precision machine work with all general warehouse duties.

Our Requirements - Warehouse Manager vacancy

The successful candidate will be required to carry out the following duties and have the following attributes and skills: -

- FK6 Schelling high precision, state of the art, flatbed saw with full optimisation
- Cauche GH-366 Guillotine with a 3.66 mtr throat
- A Striebig control 6224 computer optimised wall saw
- MHE licences are required and further training will be given.
- You must be flexible and be able to work on your own initiative and work as part of a successful team.
- You must ensure good standard of health & safety is adhered to, and you are able to conduct manual handling tasks.
- Good organisational and administrative skills are required and a good eye for detail as precision work will be required.

The Package

As the Machine Operator/Warehouse Operative in Leicester, you will benefit from:

- Rate of Pay - £13.12 per hour plus overtime will be required at times
- 25 days holiday per annum plus bank holidays
- Permanent contract with full time hours of 40 hours per week, working Monday to Friday 10am until 7pm, although flexibility will be needed to meet business needs

There will be no weekend working except for annual stocktaking. While not a regular requirement, on occasions you may need to work across different shifts for review purposes.

All applications for this vacancy are to be submitted to HR@paper.co.uk and strictly no agency calls or agency CV submissions.
