

Steinbeis ClassicWhite

PRODUCT INFORMATION

Steinbeis ClassicWhite is a 100% recycled paper perfect for everyday printing and copying needs.

Smooth-running, high-performance paper for high copy and printing requirements and subsequent trouble-free processing.

Processed without any environmental harmful bleaching agents (chlorine, chlorine-dioxide or other halogenated bleaching agents) the paper is certified to Blue Angel and EU-Ecolabel.

Manufactured from 100% recovered waste and using unique technologically advanced processes in an integrated pulp and paper mill.

Steinbeis can be recycled after using.
