

# Coral Offset

Developed to complement the Coral Digital range, Coral Offset is optimised for offset printing, giving excellent on-press and finishing performance and is fully guaranteed for pre-print laser.

## PRODUCT INFORMATION

Coral is a range of high white, uncoated wood-free paper and board; the natural look and feel of the sheet engages the senses making it the ideal choice of substrate when producing books, magazines and brochures.

Coral is available from Premier for a next day delivery throughout the UK in options for digital and litho print processes.

## PROCESS SUITABILITY

- Litho & pre-print laser (digital grade also available).

## TYPICAL USES

- Books, brochures, catalogues, covers, direct mail, folders, inserts, packaging & postcards.
