

Eskat® Mono White

A white lined board for luxury boxes.

BOARD PROFILE

PRODUCT INFORMATION

ESKA® Mono White is a white lined greyboard, with a centre layer that is produced using 100% recycled fibres (post consumer). The white liner boasts a tight, white even surface; making it easy to process and making it the smart choice for smart packaging.

PROCESS SUITABILITY

Screen printing, letterpress, high frequency welding, paper over board lamination.

TYPICAL USES

Luxury & gift boxes, slip cases, display packaging and much more.
