

## eTEC Satin Poster Paper 200gsm

### Product Description

Premium Satin poster paper with high stiffness for outdoor and indoor application. This multi-coated, weatherproof paper with high wet-strength and a Satin finish is suitable for printing with solvent, latex and UV-curing inks. The photorealistic prints impress with high colour brilliance and very good image definition. The material dries quickly even with high ink densities and displays good flatness. eTEC Satin Poster Paper 200gsm qualifies for outdoor billboard applications and displays very good resistance to scratches. The weight of 200 g/m<sup>2</sup> lends the material high opacity and stiffness and thus enables optimum handling.
