

White Peak Natural Kraft

Sustainable packaging applications with a natural, rustic appearance

BOARD PROFILE

PRODUCT INFORMATION

White Peak Natural Kraft is an uncoated cartonboard that maintains the characteristics of a conventional cartonboard with an ecological look, especially in its mechanical properties. Replacing the white face with natural fibres, reduces the use of chemicals in the manufacturing process, decreasing the carbon footprint of the product.

PROCESS SUITABILITY

- Litho
- Flexo
- Screen printing
- Letterpress
- Foil laminating
- Paper laminating
- Embossing
- Die Cutting

TYPICAL USES

- Organic product packaging, wine boxes, food packaging, drink packaging, swing tickets, clothing tags and cosmetic boxes.

SPECIFICATION
