

Envelope Brochure

A range of envelopes for every occasion

A Global Company

Premier is part of the OVOL Japan Pulp & Paper Group, comprising of 112 companies, operating in 22 countries.

The Group is the world's leading specialist paper trading company which also has interests in other diverse sectors such as ICT systems, real estate and power generation.

Premier has close and strong working relationships with the major global paper producers and is now the preferred merchant partner for many of the world's leading paper mills.

Strong supplier relationships and being part of OVOL Japan Pulp & Paper's global company network supports Premier's future development ambitions.

A range of envelopes for every occasion

From opaque envelopes suitable for business communications and general multipurpose use to creative, eye-catching envelopes, we have the products to suit every requirement.

We recognise the need for specialist advice and a choice of envelopes in order to ensure the best results for our customers.

So whether your sending invoices, invitations, greeting cards or calendars, our dedicated sales team are on hand to discuss your envelope requirements and offer you information to help make your selection easier.

In this brochure you will find a list of our stock envelopes as well as details for other envelope services that are available from Premier and GPMI.

Choosing the right envelope

Board Back

Envelope opens along the short edge and has a rigid board to the back.

Available with Peel & Seal flaps. Printed 'Do not bend'. Ideal for items that require protection or security.

Pocket

Envelope opens along the short edge with square flap. Available in Gummed, Self Seal and Peel & Seal.

Wallet

Envelope opens along the long edge. Available in gummed, Self Seal and Peel & Seal.

Gusset

Pocket envelopes with expanding sides to take bulkier items.

Available in Peel & Seal flaps. Some sizes are available with windows.

Banker

Envelope opens along the long edge with a diamond shaped flap. Ideal for invitations and greeting cards.

Window

Window envelopes can save you time in not having to retype address details. Make sure you check window size and position before purchasing.

Sealing methods

1. Peel & Seal

The speedy way to seal envelopes, simply peel away the release tape from the envelope flap to reveal a thick layer of adhesive which seals instantly with a strong bond. Seal strength does not weaken with age.

2. Self Seal

Press the two layers of adhesive (one on each flap) together to form an instant strong bond.

3. Gummed

Moisten the layer of adhesive along the envelope flap and close.
