

ESKA

Eska® Mono Black

PRODUCT INFORMATION

ESKA® Mono Black is a black lined grayboard with a centre layer that is produced using 100% recycled fibres. The deep black lining paper used in the production of ESKA Mono Black lays flat, making it ideal for a variety of smart packaging applications.

SUGGESTED USES ● Luxury packaging ● Gift boxes ● Slip cases ● Display packaging

PROCESS SUITABILITY

ESKA® Mono Black is suitable for screen printing, letterpress, high-frequency welding and paper over board lamination.
