

EVERY DAY PACK AGING

Protect, package and
present with confidence.

RELIABLE AND
FAST DELIVERY

CLEAR
COMMUNICATION

COMPETITIVE
PRICING

ECO-CONSCIOUS
VALUES

High-quality, custom branded packaging with exceptional service and industry expertise. Premier offers a comprehensive range of packaging materials, delivered next day to keep your business running smoothly.

Custom branding expertise

Offering tailored, high-impact branded packaging that helps customers stand out. Specialist design and print knowledge not all competitors can match.

Industry knowledge and consultation

Clients benefit from expert advice and packaging solutions—not just products. A consultative approach that adds value beyond the sale.

Quality and product range

High-quality materials across a broad portfolio, including eco-friendly options. Packaging suited to a variety of industries and applications.

Speed and reliability

Uniquely positioned for a fast turnaround and consistent delivery performance, which many smaller or more generic suppliers struggle with. Have our own delivery fleet, local stock and agile thinking.

Strong customer relationships

Dedicated account management and responsive support—something often lost with larger, faceless competitors.

Competitive pricing with value-added service

Prices remain competitive, but with significantly higher value through service, branding support, and flexibility.

MFPP23MIC	Machine pallet wrap power pre-stretch 23mic	500mm x 1500	1	46

If you currently have a pallet wrap machine you can **book a film review with Premier** which could save you money, improve your efficiency and reduce the amount of film you are using.

- Save money, reduce your stretchfilm costs by up to 50%
- Improve load stability, keeping your product secure and safe in transit
- Use less plastic, less waste for you and your customers
- Wrap more pallets with less film
- Less roll changes saving you time

Cardboard edge protectors

A range of fully recyclable edge protectors made from 3mm board. Designed to provide protection, stability and reinforcement to palletised loads.

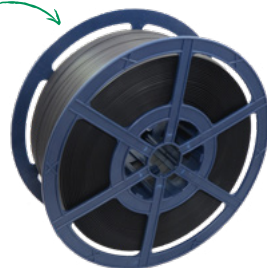

STOCK CODE	DESCRIPTION	METRIC SIZE (mm)	PACK QTY

Seal it. Brand it. Protect it.

At Premier, we take your packaging to the next level. Our **bespoke printed tape** doesn't just secure your parcels — it promotes your brand with every shipment. Whether you're a small business or a global distributor, our custom solutions help you stand out.

- Reinforce your identity on every package with custom logos, messages, and brand colours
- Pantone matched 1 to 4 colour print
- Low minimum order quantities starting at just 72 rolls
- Available in polypropylene, vinyl (PVC) and paper tapes
- Solvent, hot melt or water-based acrylics adhesives, ensuring strong bonding for a wide range of surfaces
- Low tack and removeable versions, when clean removal of the tape is essential
- Tamper-evident options for instant visibility of opened or resealed packages

Bespoke options

Tailored to fit your needs

At Premier, we don't just stock boxes — we create packaging solutions tailored to your brand, your products, and your goals. Our **bespoke corrugated boxes** combine strength, sustainability, and smart design to protect and promote what matters most to you.

- Custom sizes, shapes, and styles
- Manufacturer dividers and inserts
- Branding and print options in flexo, digital and litho
- Packaging experts on hand to help you find the perfect solution
- Use the optimum board grade to maximise protection and reduce damages
- Available from small runs of 100 boxes to tens of thousands
- Reduce transportation costs by using optimum size box on pallet

Paper and materials

Supplying a wide range of paper, materials and display printing equipment across the UK and Ireland, through a network of stockist branches.

Packaging

Suppliers of sustainable white label, off-the-shelf and personalised wholesale packaging, gifting and retail display solutions to the food and drinks industry.
