

Self-Adhesive Tintoretto Gesso (Digital & Litho)

FEDRIGONI

Product information

Tintoretto Gesso is a 215mic self-adhesive sheet with an uncoated, felt-marked face material made from ECF and FSC certified paper. The permanent adhesive benefits from special anti-bleeding properties and has excellent resistance to thermal shock and is available with a single-side silicone clay-coated white kraft liner in either a solid or split back. It is a truly versatile product suitable for use across a wide range of applications where high-opacity is required.

Applications

Premium promotions and branding • Select wines, beers and spirits • Organic and natural food products

Print and finishing

Litho • Dry Toner and HP Indigo • Main cutting and die-cutting processes

Specification
