

NAVIGATORTM PRO

PREPRINT

Navigator Pro Preprint is a superior range of paper made from Eucalyptus globulus fibres with excellent high whiteness, smoothness and bulk. It has great opacity to avoid show-through in duplex printing applications and its specially treated surface ensures adequate ink-paper interaction and better toner adhesion, perfect for when quality matters the most.

Process suitability

Offset • Laser • Inkjet

Applications

Corporate stationary • Letterheads • Invoices • Flyers • Greeting cards • Business cards • Flight tickets • Restaurant menus
